PATTAYA TO PINNACLE HOTELS & RESORTS

Travelling from Pattaya to Pinnacle Hotels & Resorts (Conference site) is most convenient by mini-buses (*songthaews*) or Bahts-Buses, customized pickup trucks with passenger seats in a covered overhead back cabin. They circle around the city and are allowed to stop anywhere. That continually plies the Beach Road and Pattaya 2 Road in counterclockwise circuits. If not occupied, they also can be hired as private taxis. Fares depend on the distance.
